Great. Heidi's advised us to keep all email contact to a minimum from this point on in case we have to disclose it in court as it can be twisted out of context, but will set up a call when there's a significant development. Am pushing for face-to-face meeting.

Thanks, and sorry for the delayed reply. I had a nightmare of a trip back from Hamburg that involved 23 hours of consecutive travel. Great that you got a chance to at least chat with him. Keep me posted on whether he replies and if I can help with anything else.

Great, cheers.

Nothing from Leidig yet. We'll discuss next stages with Schoofs / Heidi tomorrow, but let's contemplate the possibility of a no surprises letter.
