Hi Craig!

I'll be sure to check out the draft you 've sent. My help on this has been really spotty so I hope I 'm not impeding the process any. I think the best thing would be to send me specific questions on specific stories and I 'll do my best to answer. Excited to see the final piece come together.

Chat soon,

Hi Tanya,

I wanted to just update you on the CEN story, in case you were curious. I have put together an initial draft, which you can see here:  
[https://docs.google.com/document/d/1bzUp\\_Z5yu1cl-Bf8ET9ZMJNiDoCXIDFQCtSMkryXZpw/edit?usp=sharing](https://docs.google.com/document/d/1bzUp_Z5yu1cl-Bf8ET9ZMJNiDoCXIDFQCtSMkryXZpw/edit?usp=sharing)

As you 'll see there is still a big hole where we plan to fill in the details of what we found. There 's still more work to be done, and lots of polishing as well. But that 's where it stands as of now. After we fill in that empty section we 'll reach out to all of the sources connected to Leidig, the owner of CEN, and to him to see if we can get comments and more info. Then we aim to publish soon after. So we may reach out with some specific questions this week regarding some of what you looked into. I hope it can go up next week.

Best regards,  
Craig
