When can you write that up, Tom?

Right, have just chatted with Tom.

I'll draft the front up letter tonight. I'm going to have to run it past Craig, Tom and Heidi, then we can send to Mark Stephens?

We're also going to have to alert the various BuzzFeed writers whose piece are implicated in this, and Tom has to write up what he's found from talking to other contacts.

Who is writing the front up letter? Can you write it, Alan, and run it past Heidi?

Also just tagging Tom in on this

I got no reply to my last email from Leidig.

If we're going ahead with the front up letter I'd suggest we need input from Craig, Tom, Mark Lewis and yourself? I also don't really think 2 days is a fair amount of time for him to respond?

Rob is OK with us running it before he gets back. Can we aim to publish by end of this week?

Yeah - no problem. Re timing/next steps personally I'm happy to defer to you, I'm happy to hold over as long as we want - Rob never said waiting for him was a plan? Just copying Luke.

Hey Alan,

Today is really tricky for me because we have two interviewees visiting the office and I'm going to be with them all day. But I could talk tomorrow? What's the latest plan on the timing? Did you talk to Rob about holding this over till he's back from paternity?
