Hi Craig! Good to hear from you! I'm sending you the contact of Leonel Rodriguez, the correspondent at Santiago del Estero province. Maybe he could give you more details: leonelrodriguez_103@yahoo.com.ar

Just tell him that his contact was given by LA NACION's newsroom.

Any other thing I could help you, let me know.

Best regards,

Rodrigo Santos

Hi Lyng-Hou,

I hope you 've been well!

I'm currently working on a story with some reporters at BuzzFeed and we 've come accross one element that has a connection to Argentina. The background is we are doing a story about a news agency that often is the source of dubious viral content. One of the stories they helped push out was later proven to have incorrect details:

<http://www.buzzfeed.com/ryanhatesthis/the-lucita-sandoval-sex-tape#.mtbRml0XbX>

We are hoping to locate the woman who was the victim of this story. That way we could get a quote from her about the impact of seeing this false claim about her go viral. Is there by any chance someone at a member paper in Argentina who you could connect me with? We 're hoping to see if they might be able to help reach out to her, or even just offer some advice on how to find her.

Let me know if you might be able to connect me with someone. Thanks!

Best regards,

Craig
