FYI the lost boy seems to be real, as it comes from an official government website:  
<http://www.whga.gov.cn/pawh/News.jsp?id=1201501120821413190>

Though the Google translation of it says it was 21 years, not 24...

I wasn't even looking for more but here we go:

Bigfoot: <http://www.dailymail.co.uk/news/article-2910106/Footage-dark-figure-stumbling-woods-giant-footprint-snow-proof-Yeti-does-exist-claim-Russian-group-caught-camera.html>

"Starving lost boy who lived on the streets for 24 YEARS finally finds his parents ": <http://www.mirror.co.uk/news/world-news/starving-lost-boy-who-lived-4981998>

CEN pics for both.

Obviously not going to look into the Bigfoot one. Will check the other one a bit soon.
