Journalism Without Borders

Feels like we should do the groundwork on this; is it registered either in the UK or Austria? (No results from UK Charity Commission, and I can't find anything on Austrian Finance Ministry site https://service.bmf.gv.at/Service/allg/spenden/show_mast.asp.) Urban's charity, Helfen Wir, is registered – can we look into them? Get a colleague from the Berlin office to help maybe?
