Hello Hannes,

Here is the copy of the verification sent to me by Mr Liang, attached as a PDF file. I'll just briefly translate what is written on the letter:

Zhong Shan University Stomatology Institute · Associated Stomatology Hospital

Verification Document

To Helfen Wir, Austria:

We're happy to know that your charity is kindly donating to Miss Wu Xiao Yan. Our hospital guarantees that the donation will be used for treatment for Miss Wu Xiao Yan.

Below are our bank account details:

[REDACTED]

Dated: 21st May 2010

I hope that this is what you need. Please do not hesitate to let me know if anything else is required.

Regards,

Linda

That's great. I found on Helfen Wir's website an international fax number, [REDACTED] Should I ask for the bank account details to be sent over to this number?

Regards,

Linda

Dear Linda!

This paper will be OK, We do not need the invoice, because we are donating only a part of it. We need a paper with the bank details and that the donation is for the operation for the girl. After we need a paper from the parents that they know that this amount is paid. We only have to be sure that the money is used for what we are paying.

Greetings from Vienna

Dear Mike and Hannes,

I talked to Mr Liang again. All he can do is to provide an official document verified by the hospital, with the hospital's bank account details on there. He won't be able to write the amount of donation on there since the hospital hasn't received it yet. He said that he's more than happy to provide an invoice upon receiving the donation but right now there isn't much that he can do.

If you give me a fax number, I'll relay it to Mr Liang and he can send the document over. I can provide translation later if need be.

Regards,

[REDACTED]

Linda
