I also want to point out that in our first conversation, I made it clear my quotes were off the record. I do not expect therefore to find myself quoted.

With regards to your allegations about Journalism Without Borders, from its inception the financial matters have always been dealt with by a different team from the editorial team with no cross over at all. If you want to see the books which are freely available on request you need to speak to Hannes Urban for the period prior to the start of last year. For the past 18 months you need to speak to the Viennese media lawyer Philip Jakober <mailto:jakober@jakober-rae.com> jakober@jakober-rae.com who will be able to answer your questions.

Yours sincerely,

Michael Leidig
