Hi both! My understanding was that this was going to be held till Rob was back because it's a sensitive story and needs careful handling. Very happy to talk strategy though. Any word from Leidig, Alan? If not and if you're done trying to talk to CEN staffers who he could shut down I would get a detailed front-up letter written and ready to send him. I think the more time we give him to respond the better. But let's talk in more detail tomorrow. Cheers!

Yeah - no problem. Re timing/next steps personally I'm happy to defer to you, I'm happy to hold over as long as we want - Rob never said waiting for him was a plan? Just copying Luke.

Hey Alan,

Today is really tricky for me because we have two interviewees visiting the office and I'm going to be with them all day. But I could talk tomorrow? What's the latest plan on the timing? Did you talk to Rob about holding this over till he's back from paternity?

And maybe put a strategy together for getting this thing done...
