This is great. Can you share w Shani too?

Few thoughts:

-let's make sure we update our CEN stories in a clear way -- maybe delete the text? -- and talk to their authors

-should we amp up the lurid ness up high? "Obsessed with castration" etc

-have we tried to reach the people he says he was raising \$ for to see if they got the money? That's the only section that feels underreported?

-what's the plan for going to Vienna?

<https://ssl.gstatic.com/s2/profiles/images/silhouette64.png> This is the CEN copy that's been to the lawyer - would ideally lead on Nuevo Diario but haven't been able to prove that's CEN copy. We do have a new cache of their newlists that we're going through for more colourful stuff, and will front up his colleagues and those who've bought the copy when we confront Leidig.
