Subject: CEN Stories we looked at

Hi gang,

I've compiled all the CEN stories we looked at over the course of this into one doc (working from the original spreadsheet, the story as is, and Emergent):

https://docs.google.com/a/buzzfeed.com/document/d/1ckCBpasnAeomuqPD0Jn_O31UYnG2si9MVo7DbamHziM/edit?usp=sharing

I make the count 41 stories looked at; 11 completely false or at least with dodgy images; 8 more suspicious (quotes, etc); 13 no evidence either way; 9 real or mostly real. Have I missed any out?
