I'm gonna keep reaching out to people in the media to see if they'll say anything else, but the current anon source we have phrases it very well already so we're just looking for added value.

I'm also going to take another pass at punching it up for style at some point this week, but again on the current schedule that's not urgent.

Great. Obviously if he does wanna talk an in person chat would be preferable, even if it pushes back publication by a day. Do you have what you need from Tom?

Luke,

Heidi's in New York at the moment but just chatted on phone. 

One final note - once I've sent the front up letter, if Leidig says he wants to speak to me, I'm only happy to do so over the phone.

Cheers
