Pushing for an i/v this week / weekend. If he won't that may hold us up a few days as I'd say 5 days would be fair for a no surprises letter Heidi?

Thanks, I'll take a proper look as soon as I can. V. tied up with final interviews this week so it'd be useful to know roughly when this needs to be ready to go. Initial thought: I know the bear story is up top because we haven't nailed the provenance of the copy on the Argentinian teacher, but it's worth seeing whether you can get Leidig to admit CEN produced it when you reach him. For my money that's a much better way into the story as an example of the harm bad journalism can do. Good luck with the front-up!
