Hi!

I did - looking forward to Ryan's piece on it actually. And about CEN - I've actually been waiting for Tom to send me an email; we had a brief chat about it on Friday evening and he apparently needs some specific stories, so I kind of need to know which one to send over. Please tell him to email me?

Cheers!

Hey,

Hope you had a good time clowning around (boom, boom). Just wanted to see whether you'd managed to get anything on this - would be really helpful as we're getting towards the sharp end...

Rob
