**Subject:** Questions about Journalism Without Borders

Hello Mr. Jakober,

I am a journalist working with BuzzFeed. We have recently been in touch with your client, Michael Leidig, and he said we should follow up with you regarding the status and accounts of the Journalism Without Borders charity. Below I have included questions we were hoping you could answer about JWB today.

I am also requesting a copy of the accounts for the charity, as Mr. Leidig said you could provide those.

Questions:

Is JWB a licensed charity? And if so, where is it registered?

How much money has been donated to the charity since its inception?

How much was collected in 2014?

How is the money been delivered to the people?

Do you maintain a list of the contact and banking information of the people who are to receive the funds? If not you, who does?

Did you personally ever meet or speak with anyone who was to receive the funds?

How much money was collected for Ana Crisan by JWB?

Why did the relationship between Helfen Wir and JWB end in 2013?

Best regards,  
Craig
